

Best 100 City Guide London iOS App Press Release

By Elegant-Lifestyle Ltd.
London, April 2015

iOS app Best 100 City Guide London is ready for download for iPhone and iPad.

Best 100 City Guide London iOS app covers the best 100 traditional and trendy London hotels, restaurants, shopping and entertainment independently selected by Elegant-Lifestyle Ltd., including all the best kept secrets London has to offer.

Best Hotels in London focuses on the top hotels divided into 'Grand Hotels', 'Traditional Hotels' and 'Trendy Hotels'.

Best Restaurants in London focuses on the top British and European cuisine. Booking of a table is normally essential well in advance, as they tend to be booked out. Best hotel restaurants are also listed under 'Best Hotels'.

Best Shopping in London focuses on traditional and trendy British brands in the best shopping streets in London: (1) Bond Street for Accessories & Fashion, (2) Sloane Street for Accessories & Fashion, (3) Jermyn Street for Shoes, Shirts & Suits, (4) Savile Row for Bespoke Suits & Shirts, (5) Kings Road for Trendy Fashion and (6) Covent Garden for Fashion.

Best Entertainment in London focuses on the best museums, concert halls, theatres, opera houses and palaces.

George Rosengarten, chief editor and director of Elegant-Lifestyle Ltd. is delighted: 'Elegant-Lifestyle is proud to present the **Best 100 City Guide London iOS app** to give up-market London visitors the best London has to offer at their fingertips. They can also find the best places with Apple Maps including their location, they can call directly to reserve or they can share addresses with friends and family.'

The iPhone / iPad app is now live and available to download from the Apple app store. For more details visit the website at www.best-100-city-guide.com.
